Benefits of Membership in MHMS Toronto Chapter

The Materials Handling and Management Society is a non-profit organization with a history of serving the materials handling and distribution industry for over 50 years. MHMS is dedicated to providing members with an opportunity to develop their professional skills and knowledge through educational seminars and courses, facility tours, trade shows, conferences, information exchange programs, a timely newsletter and networking opportunities.

Members benefit by having access to professional meetings and seminars, networking with other professionals in the fields of materials handling, logistics, distribution management, materials handling equipment, storage design, information technology, facility design, staffing and operations management. Members also receive free subscriptions to periodicals dedicated to our industry. All members receive discounts when attending any of the MHMS Toronto Chapter events or enrolling in our courses.

Whether you're looking for career advancement or ways to increase the bottom line, the MHMS Courses can help you reach your goals. Call our office today for more information on how you can register for the next semester!
